Headstones & Markers

Prices listed includes 50 characters of lettering and installation within 50 miles. Unless otherwise noted, prices refer to standard gray granite. All base prices increase with additional options. All prices are approximate and subject to change without notice.

Single tablet and base with carving and extra characters.

Companion tablet and base with carving.

Single Tablet with Base

Blue/Gray $1,600
Black $2,000

This monument consists of an upright stone on a base.

Companion Tablet with Base

Blue/Gray $2,950
Black $5,750

Similar to the single tablet and base, this monument is wider to accommodate a second inscription panel.

Matching existing stones is our specialty.

We use photographs, rubbings, and manual measurements to make sure the color, shape, size, finish, lettering, carvings, etc. all look as close as possible to the original monument.
